Find out the names of three rivers in Pakistan.

_____	_____
_____	_____
_____	_____

**Date: 19-12-20**

**Day: Saturday**

**Lesson: 17**

**Topic: In the Sky**

At night, the sky is dark.

When it is dark, you can see the stars. They are very far away. Sometimes you can see the Moon.

the sky at night

the sky at day

In the daytime, you can see the sky. It looks blue.

You can see white clouds floating by. The Sun shines brightly during the day. It gives light and warmth to our planet, Earth.

Sometimes, the sky is cloudy. Never look directly at the Sun! It will hurt your eyes.

Birds can fly high up in the sky. Aeroplanes fly even higher.

### Did you know?

Hot air balloons were invented in France in 1783. The first passengers to travel in a hot air balloon were a sheep, a duck, and a rooster!
